

Alsea School Board Meeting
Thursday, October 27, 2022 We will be having
a working session and then going right into
Regular Board Session at 7:00pm

Alsea School Library
301 South 3rd Street
Alsea, OR 97324

1. Call to Order: 6:00pm
2. Work Session
 - a. HR Reset Discussion
 - b. Discuss Possible Members for the Superintendent Search Committee
 - c. Independent Financial Audit Discussion

a. HR Reset Discussion: Sean Gallagher: Hoping to bring salary adjustments to the board tonight, but it just hasn't been able to come together completely yet. The only changes thus far are with the collective bargaining agreement. He has a few more meetings with employees to do. Needs to complete a cost analysis so the board can justify where people are placed. Job descriptions are done and are being rolled out. Still working on staff handbook final steps. Athletics handbook is getting put together along with the student handbook.

Rob Webb is worried about just cutting for this year or looking into the future years and staying on budget. Sean Gallagher said we are cutting 16% so far and we are trimming more for the upcoming year.

-moving to work item c before b-

c. Discussion on possible members for the Superintendent Search: Deb Lindberg: There has been some information compiled and was interesting as to what community members were looking for. Vincent Adams: 103 responses in total. That's pretty good. There are some very strong qualities. We are still in the first steps identifying the qualities we are looking for. Looking for approval for the first steps, need to nail down a date for screening committee training, don't need all the members found yet. Deb Lindberg: Should we be looking for people yet to be on the committee? Vincent Adams: Need to have names and contact information for prospective members so they can get trained. Identify that list of individuals now. Risteen Follett: Talked about who we would like? Vincent Adams: said if you have people willing, you're ahead of the game. Listing names: Chris Cantrell- Community, George Foster-Community, Jamie Olsen-Community, Soren Rounds-Community, Cherly Doe-Admin, Heather Shunk-Admin, Tim France-Admin, Eric Clendenin-Admin, Catherine Ellis-Teacher, David Fricke-Teacher, Skip (Rodger) Lynch-Teacher, Mary O'Brien-Teacher, Anna Dubord-Classified, Keenan Elbers-Classified, Nicole Davis-Classified. Risteen Follett: What are next steps? Vote on the group moving forward? Jan 12th set the date for the Committee Training. Sean Gallagher: Are there any edits to the list? Training date-set. Talk about salary range? Risteen Follett: Qualities vs Qualifications. It seems like it has more qualities in the list. Are we ahead or behind? Vincent Adams: You are closing before the new year, most don't start till after.

b. Independent Financial Audit Discussion: Sean Gallagher spoke concerning ODE audit, Colt Gill putting together a risk assessment team, Secretary of State

pulled out so we had to find another. There will be a recommendation to a third party audit team from them. Should we get our own financial audit? Sean Gallagher would like to recommend we wait for ODE first to see what they find. The answers would directly affect how we move forward in our budget. If the Board would like to see bids from third parties if they choose. Risteen Follett: where does the ODE "payment" for this come from? Do we front it or does ODE...something in between? Deb Lindberg: we need to wait for ODE, but we've been waiting for a long time. It feels like we should go out for a third party and get the waiting over. It can be spendy. Risteen Follett: Time frame? Sean Gallagher: Nothing yet. Risteen Follett: if we do this we keep rehashing the past and we've moved forward quite well. Sean Gallagher: they say it's a slow process and to be patient. Linda Montanez: if we do a third party, ODE would still have to do it anyway. Deb Lindberg: reach out and see what it would cost? Vincent Adams: It's a random look at what they have a pool from. A forensic audit would be better served if we have areas specifically of concern. Deb Lindberg go out for an RFP? Sean Gallagher: depends on how many years we want them to look through. What is the outlook, what's the end result we want? Deb Lindberg: hold people accountable. Risteen Follett: would like to see ODE first and then move forward with more if it's necessary. Do we need an action item? Deb Lindberg: would still like an RFP to see what it would cost. No other discussion.

A whimsical night scene with a dark blue background. In the center, a brown dinosaur stands on a patch of ground with small flowers. To the left, a rocket ship with a red nose cone and yellow flames is flying upwards. Above the dinosaur, several planets are visible: Earth, a green and white striped planet, a reddish planet, and Saturn with its rings. To the right, a yellow crescent moon is in the sky. A blue unicorn with a purple mane is standing on a white cloud. A blue butterfly is flying near the dinosaur's head, and a brown and orange butterfly is near its tail. In the bottom left corner, there is a small easel with a colorful abstract painting and a paint palette. In the bottom right corner, there is a small green plant growing out of a mound of soil, with a bee flying nearby. The word "Wonder" is written in a large, white, cursive font across the middle of the scene, with the definition "desire or curiosity to know something" written in a smaller, white, cursive font to its right.

Wonder: desire or curiosity to know something.

or as our friend Leo described it:
"Looking at the world and discovering
things--learning things we never knew about."

Wonder

Water the wonder
that lives in your brain.

Water your wonder
with questions like rain.

The more that you ask
the more you will know.

And watering wonder
will help wonder grow.

Wallow in wonder
wherever you go.

7. Superintendent Report
 - a. State Assessment Update
 - b. Legislative Report

- a. CTE Regional Presentation

a. State Assessment update: More schools for the board to see as a comparison. One of the other schools was Butte Falls...very similar to us. Mapleton was even worse than us. Prairie City had almost 100% participation, very similar to ours.

b. Legislative Report: wants to prepare the board for what is coming at us. There is a lot of change coming. Political leadership, new governor, house, senate...when was the last time one of them stepped foot in a school?

SEE SLIDE SHOW

State School Fund: increase of about \$342/student for us...is it enough? Need about 1B more to cover just normal increases. Students needs, Staff needs, safety, facilities...they all come with a cost. We have to address the equity issues between the different districts. Environmental qualities are important to our district. Revenue Forecast: Nov 16th, Legislative Task Forces Form: Dec 6-9, Procession Bill: Dec 21st, Release of Gov Budget: Feb 1st, Tentative Start Date: Feb 1st. Maybe invite our local representatives to come spend time with our district.

c. CTE Regional Presentation: David Crowe: went to the Regional CTE conference. It has a direct impact on our new CTE building/program. CTE Principals meeting at LBCC, roughly once a month (Dale Moon) is the regional CTE coordinator for Linn.Benton county schools. *SEE POWERPOINT PRESENTATION* Very intense job market analysis presented with breakdowns, 6 career clusters. Breaks down the careers in areas of study that they would fall under. We are not currently offering these types of programs that are accredited, but we would like to change that. The largest area is in Healthcare, second being the industrial/engineering. Risteen Follett asked: Did they ever find an equilibrium of having the amount of programs to meet the demand? David Crowe: they have some areas that crossover into multiple areas of study, but it's tricky about seeing exactly if that does fill the need. Breaks down the needs even more for the individual areas. The salary medium breakdown is very eye opening. However, the group that's paid the most is an associate's degree (64k). Students can come out of HS with a good paying job. Setting our kids up for success. Last slide shows the highest demanded skills they want from their employees. Sean Gallagher: As we embark on our Vocational Center (forestry being the biggest), we want to have these other options as well. Not all that burden will be on the school districts back; there are federal grants and other pools of money. Risteen Follett: are there other programs we could mimic? David Crowe: Yes, there are a lot of programs that we could utilize and there are industry leaders who want to help us. Risteen Follett: using Ag in there as well. David Crowe: CTSO/CDE programs are what they are called. It's all encompassing to address all the soft skills to get the jobs filled.

OREGON STATE ASSESSMENTS

SBAC - Smarter Balanced Assessment
Consortium

Purpose of the Assessment

- 
- ❑ Assessment helps evaluate Systems
 - ❑ Summative tests identify strengths and needs
 - ❑ Summative assessment results give us a reliable, comparable indicator to measure the state of student academic achievement in ELA, math, and science across districts and schools in Oregon
 - ❑ Assessments helps the Government provide funding for curriculum and special programs
 - ❑ Provides parents with normalized assessment data for their individual child

Participation Rates

For the data to be meaningful we **MUST HAVE** have a **95%** Participation rate

This is a Federally Required Assessment. The (ESEA) - Elementary and Secondary Education Act requires rates to be at least **95%** for all students.

Statistically, the district needs to see **>80%** participation to validate

Opt out

ORS 329.479, also called the Student Assessment Bill of Rights, requires districts to provide the option for parents to opt out of state summative testing in English language arts and mathematics that does not include science*

This will be provided by a letter going home stating when the State test will be taking place. Parents then may contact the school for an opt - out form if they wish.

Alsea is encouraging all required grades (3,4,5,6,7,8 &11) for 22-23 school year to take the assessment to help determine the gaps in learning and to provide accurate data that could result in additional resources.

*Note: Science can only be opted out by a religious or medical exemption

Presentation Vincent Adams

a. Superintendent Survey Data Report: there were 103 responses, listed in priority *see the list that was provided to the board* Vincent is happy to make any changes needed, and the Board is happy with the current list. Needs approval for this, will be voted on during action items.

b. Superintendent Salary Report: Salary range data: \$114,000 - \$126,000. 6% inflation rate is built into those numbers. This is a very important set of numbers to pay attention to. The low number is the most important...you can't go below this while negotiating. The board hasn't ever been given any sort of numbers as a range in the past. Ryan VanLeuven doesn't want it to go below the current per day for the Principals. Linda Montanez: We also need to take into consideration the cost of living in the surrounding areas. Deb Lindberg: would like to see the new Superintendent live in the community. Rob Webb you can always negotiate higher. You can't go lower, it's a fair range. Risteen Follett doesn't want to go higher than \$120,000. Ryan VanLeuven: if we don't like the pool, could we repost and change the salary range? Vincent Adams: Yes you could, but you have to reconvene a committee and vote. The board would like to set their range as \$120,000 - \$135,000

Break @ 8:05PM - Back in session @ 8:12PM

c. Superintendent Search Update: See above

d. LBL ESD At-large Budget Committee, Nov 15th - Dec 15th, 2022: Sean: ESD reached out to let us know they had the opening, have a current position and recommended that a current board member apply to see how it all works, comes with training. Risteen would be interested in doing it.

e. The Board will be voting on OSBA Board of Directors Rep and one resolution: ballet to elect, OSBA asked to include two candidates. Risteen: when do we need to have this in

f. Meeting Frequency: This will be the last bi-monthly meeting, with the holidays coming. This could be brought back up for discussion in January. Deb Lindberg agrees. Linda Montanez would like to vote on relooking at frequency in Dec. Rob Webb: If something special popped up we could always an extra meeting. Ryan VanLeuven would like to have first and second readings not strung out so far. Sean reminded the board that they can do a first and second reading in the same meeting. Risteen Follett stated that they would need them further in advance.

g. Girls Basketball Co-OP with Monroe.

Presented by Bart Rothenberger and Ricki Hendrix: It has been a few week where they have tried to drum up interest in basketball. We don't want to get rid of our team for next year, we just need to grow our current pool. We need to have more girls to make it through the 3 months of session. Monroe has a multi-level program (Varsity and JV) Deb Lindberg: we co-op with Philomath typically, Monroe is similar to our size and Philomath has a cut option. Risteen Follett: will our girls get cut from the team. Bart Rothenberger said he's pretty sure they don't. They don't cut players. Linda Montanez: Is there a charge for playing? Bart Rothenberger said he would ask, but we would/should pay for it. They don't charge for sports. Ricki Hendrix hasn't heard from Tony yet, but she'll reach out again. Risteen Follett: can we pull out of the co-op? Yes we could if we have a huge influx of girls come out. Bart Rothenberger, we want the program always here. We need to build it back up.

h. Policies: First reading: *see complete list in the original agenda* Sean recommends that between now and the next meeting sit down and read them, make notes or if you would like changes made. Keep in mind that this is the language given to us by the lawyers. Board members are mandatory reporters for all child abuse 24/7, 365 now. All this has been vetted through the OSBA legal department prior to these recommendations.

The following symbols are used on some sample policies:

- * May be subject to collective bargaining.
- ** As used in this policy, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005(4) and 125.300-125.325. The determination of whether an individual is acting in a parental relationship, for purposes of determining residency, depends on the evaluation of the factors listed in ORS 419B.373. The determination for other purposes depends on evaluation of those factors and a power of attorney executed pursuant to ORS 109.056. For special education students, parent also includes a surrogate parent, an adult student to whom rights have transferred and foster parent as defined in OAR 581-015-2000.

Bias Incident Complaint Procedure

The terms “bias incident” and “symbols of hate” are defined in policy. Persons impacted by a bias incident or display of a symbol of hate shall be defined broadly to include persons directly targeted by an act, as well as the community of students as a whole who are likely to be impacted by the act.¹

Step 1 {²}: When a staff member learns of a potential bias incident or display of a symbol of hate, the staff member will prioritize the safety and well-being of all persons impacted and immediately report the incident to the principal.

Step 2: The principal shall acknowledge receipt of the complaint, reduce the complaint to writing, and investigate any complaint of a bias incident. Board Member Ethics and Conflicts of Interest

No Board member will use their ~~his/her~~ official position or office to obtain personal financial benefit or to avoid financial detriment for ~~themselves~~ ~~him or herself~~, relatives or household members, or for any business with which the Board member, a household member or a relative is associated.

This prohibition does not apply to any part of an official compensation package, honorarium allowed by Oregon Revised Statute (ORS) 244.042, reimbursement of expenses, or unsolicited awards of professional achievement. Further, this prohibition does not apply to gifts from one without a legislative or administrative interest. Nor does it apply if the gift is under the annual \$50 gift limit from one who has a legislative or administrative interest in any matter subject to the decision or vote of the Board member. District-provided meals at board meetings are acceptable under the reimbursement of expenses exception.

I. Conflicts of Interest

“Business” means any corporation, partnership, proprietorship, enterprise, association, franchise, firm, organization, self-employed individual or any legal entity operated for economic gain. This definition excludes any income-producing tax exempt 501(c) not-for-profit corporation with which a public official or a relative of the public official is associated only as a member or board director or in a nonremunerative capacity.

“Business with which a Board member or relative is associated” means any private business or closely held corporation of which a Board member or relative is a director, officer, owner, employee or agent or any private business or closely held corporation in which a Board member or relative owns or has owned stock, another form of equity interest, stock options or debt instruments worth \$1,000 or more at any point in the preceding year; any publicly held corporation in which a Board member or relative owns or has owned \$100,000 or more in stock or another form of equity interest, stock options or debt instruments at any point in the preceding calendar year; or any publicly held corporation of which a Board member or relative is a director or officer.

“Relative” means ~~the: 1) the Board member’s or candidate’s~~ spouse¹, parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law; ~~2) the spouse of the Board member; member’s or the candidate’s~~ parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law of the spouse of the Board member. Relative also includes any individual for whom the Board member has a legal support obligation, whose employment provides benefits² to the Board member, or who receives any benefit from the Board member’s public position.

“Member of the household” means any person who resides with the public official.

¹ The term spouse includes domestic partner.

² Examples of benefits may include, but not be limited to, elements of an official compensation package including benefits such as insurance, tuition or retirement allotments.

No Board member will solicit or receive, either directly or indirectly, any pledge or promise of future employment based on any understanding that the Board member's vote, official action or judgment would be thereby influenced.

No Board member will attempt to use or use for personal gain any confidential information gained through their his/her official position or association with the district. A Board member will respect individuals' privacy rights when dealing with confidential information gained through association with the district.

If a Board member participates in the authorization of a public contract, the Board member may not have a direct beneficial financial interest in that public contract for two years after the date the contract was authorized.

Individual Board members and the Board as a public entity are bound by the ethics laws for public officials as stated in Oregon law.

Potential Conflict of Interest

"Potential conflict of interest" means any action or any decision or recommendation by a Board member that could result in a financial benefit or detriment for self or relatives or for a business with which the Board member or relatives are associated, unless otherwise provided by law.

A Board member must publicly declare a potential conflict of interest. A Board member may, after declaring his/her potential conflict of interest, either vote or abstain on the issue. Abstaining from a vote does not meet the legal requirement of publicly stating a potential conflict.

Actual Conflict of Interest

"Actual conflict of interest" means any action or any decision or recommendation taken by a Board member that would result in a financial benefit or detriment to self or relatives or for any business with which the Board member or relatives are associated, unless otherwise provided by law.

A Board member must publicly declare an actual conflict of interest. The Board member may not vote lawfully if an actual conflict of interest exists unless a vote is needed to meet a minimum requirement of votes to take official action. Such a vote does not allow the Board member to participate in any discussion or debate on the issue out of which an actual conflict arises.

Class Exception

It will not be a conflict of interest if the Board member's action would affect to the same degree a class consisting of all inhabitants of the state, or a smaller class consisting of an industry, occupation or other group including one of which or in which the person, or the person's relative or business with which the person or the person's relative is associated, is a member or is engaged. For example, if a Board member's spouse is a member of the collective bargaining unit, the Board member may vote to approve the contract, as it will affect all members of that class to the same degree. However, if the collective bargaining unit is very small, the class exception may not apply. Similarly, if the contract contains special provisions that might apply only to particular persons, then the class exception may not apply. For example, if a Board member's spouse is the only one in the bargaining unit that has a doctorate and there is a pay differential

for employees with doctorates in the collective bargaining agreement, the Board member should not vote on the contract.

II. Gifts

Board members are public officials and therefore will not solicit or accept a gift or gifts with an aggregate value in excess of \$50 from any single source in a calendar year that has a legislative or administrative interest in any matter subject to the decision or vote of the Board member. All gift related provisions apply to the Board member, their relatives, and members of their household. The \$50 gift limit applies separately to the Board member, and to the Board member's relatives or members of household, meaning that the Board member, and each member of their household and relative can accept up to \$50 each from the same source/gift giver.

1. "Gift" means something of economic value given to a Board member without valuable consideration of equivalent value, which is not extended to others who are not public officials on the same terms and conditions.
2. "Relative" means: the spouse³ a) the Board member's or candidate's spouse¹, parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law; b) the spouse of the Board member; member's or the candidate's parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law of the spouse of the Board member. Relative also includes any individual for whom the Board member has a legal support obligation, whose employment provides benefits⁴ to the Board member, or who receives any benefit from the Board member's public position.
3. "Member of the household" means any person who resides with the Board member.

Determining the Source of Gifts

Board members should not accept gifts in any amount without obtaining information from the gift giver as to who is the source of the gift. It is the Board member's personal responsibility to ensure that no single source provides gifts exceeding an aggregate value of \$50 in a calendar year, if the source has a legislative or administrative interest in any matter subject to the decision or vote of the Board member. If the giver does not have a legislative/administrative interest, the ethics rules on gifts do not apply and the Board member need not keep track of it, although they are advised to do so anyway in case of a later dispute.

Determining Legislative and Administrative Interest

A "legislative or administrative interest" means an economic interest distinct from that of the general public, in any action subject to the decision or vote of a person acting in the capacity of a Board member. For example, everyone within a county has a general interest in the fire department, but the person who sells the uniforms to the fire department has a legislative or administrative interest in the fire department that is distinct from the general public.

Determining the Value of Gifts

³ Ibid. p. 1

⁴ Ibid. p. 1

The fair market value of the merchandise, goods, or services received will be used to determine benefit or value.

“Fair market value” is the dollar amount goods or services would bring if offered for sale by a person who desired, but was not obligated, to sell and purchased by one who is willing, but not obligated, to buy. Any portion of the price that was donated to charity, however, does not count toward the fair market value of the gift if the Board member does not claim the charitable contribution on personal tax returns. Below are acceptable ways to calculate the fair market value of a gift:

1. In calculating the per person cost at receptions or meals the payor of the Board member’s admission or meal will include all costs other than any amount donated to a charity.

For example, a person with a legislative or administrative interest buys a table for a charitable dinner at \$100 per person. If the cost of the meal was \$25 and the amount donated to charity was \$75, the benefit conferred on the Board member is \$25. This example requires that the Board member does not claim the charitable contribution on personal tax returns.

2. For receptions and meals with multiple attendees, but with no price established to attend, the source of the Board member’s meal or reception will use reasonable methods to determine the per person value or benefit conferred. The following examples are deemed reasonable methods of calculating value or benefit conferred:
 - a. The source divides the amount spent on food, beverage and other costs (other than charitable contributions) by the number of persons whom the payor reasonably expects to attend the reception or dinner;
 - b. The source divides the amount spent on food, beverage and other costs (other than charitable contributions) by the number of persons who actually attend the reception or dinner; or
 - c. The source calculates the actual amount spent on the Board member.
3. Upon request by the Board member, the source will give notice of the value of the merchandise, goods, or services received.
4. Attendance at receptions where the food or beverage is provided as an incidental part of the reception is permitted without regard to the fair market value of the food and beverage provided.

Value of Unsolicited Tokens or Awards: Resale Value

Board members may accept unsolicited tokens or awards that are engraved or are otherwise personalized items. Such items are deemed to have a resale value under \$25 (even if the personalized item cost the source more than \$50), unless the personalized item is made from gold or some other valuable material that would have value over \$25 as a raw material.

Entertainment

Board members may not solicit or accept any gifts of entertainment over \$50 in value from any single source in a calendar year that has a legislative or administrative interest in any matter subject to the decision or vote of the Board member unless:

1. The entertainment is incidental to the main purpose of another event (i.e., a band playing at a reception). Entertainment that involves personal participation is not incidental to another event (such as a golf tournament at a conference); or
2. The Board member is acting in their official capacity for a ceremonial purpose.

Entertainment is ceremonial when a Board member appears at an entertainment event for a “ceremonial purpose” at the invitation of the source of the entertainment who requests the presence of the Board member at a special occasion associated with the entertainment. Examples of an appearance by a Board member at an entertainment event for a ceremonial purpose include throwing the first pitch at a baseball game, appearing in a parade and ribbon cutting for an opening ceremony.

Exceptions

The following are exceptions to the ethics rules on gifts:

1. Campaign contributions are not considered gifts under the ethics rules;
2. Gifts from “relatives” and “members of the household” to the Board member are permitted in an unlimited amount; they are not considered gifts under the ethics rules;
3. Informational or program material, publications, or subscriptions related to the recipient’s performance of official duties;
4. Contributions made to a legal expense trust fund if certain requirements are met;
5. Food, lodging, and travel generally count toward the \$50 aggregate amount per year from a single source with a legislative or administrative interest, with the following exceptions:
 - a. Organized Planned Events. Board members are permitted to accept payment for travel conducted in the Board member’s official capacity, for certain limited purposes:
 - (1) Reasonable expenses (i.e., food, lodging, travel, fees) for attendance at a convention, fact-finding mission or trip, or other meeting do not count toward the \$50 aggregate amount IF:
 - (a) The Board member is scheduled to deliver a speech, make a presentation, participate on a panel, or represent the district; AND
 - (i) The giver is a unit of a:
 - 1) Federal, state, or local government;
 - 2) An Oregon or federally recognized Native American Tribe; OR
 - 3) Nonprofit corporation.
 - (b) The Board member is representing the district:
 - (i) On an officially sanctioned trade-promotion or fact-finding mission; OR
 - (ii) Officially designated negotiations or economic development activities *where receipt of the expenses is approved in advance by the Board.*

(2) The purpose of this exception is to allow Board members to attend organized, planned events and engage with the members of organizations by speaking or answering questions, participating in panel discussions or otherwise formally discussing matters in their official capacity. This exception to the gift definition does not authorize private meals where the participants engage in discussion.

6. Food or beverage, consumed at a reception, meal, or meeting IF held by an organization and IF the Board member is representing the district. Again, this exception does not authorize private meals where the participants engage in discussion.

“Reception” means a social gathering. Receptions are often held for the purpose of extending a ceremonial or formal welcome and may include private or public meetings during which guests are honored or welcomed. Food and beverages are often provided, but not as a plated, sit-down meal; ~~;~~

7. Food or beverage consumed by Board member acting in an official capacity in the course of financial transactions between the public body and another entity described in ORS 244.020(7)(b)(I)(i); ~~;~~

8. Waiver or discount of registration expenses or materials provided to Board member at a continuing education event that the Board member may attend to satisfy a professional licensing requirement; ~~;~~

9. A gift received by the Board member as part of the usual or customary practice of the Board member’s private business, employment or position as a volunteer that bears no relationship to the Board member’s holding of public office.

Honoraria

A Board member may not solicit or receive, whether directly or indirectly, honoraria for the Board member or any relative or member of the household of the Board member if the honoraria are solicited or received in connection with the official duties of the Board member.

The honoraria rules do not prohibit the solicitation or receipt of an honorarium or a certificate, plaque, commemorative token or other item with a value of \$50 or less; or the solicitation or receipt of an honorarium for services performed in relation to the private profession, occupation, avocation or expertise of the Board member or candidate.

Board Member Ethics and Nepotism

In order to avoid both potential and actual conflicts of interests, Board members will abide by the following rules when a Board member's relative or member of the household is seeking and/or holds a position with the district:

1. A Board member may not appoint, employ, promote, discharge, fire, or demote or advocate for such an employment decision for a relative or ~~a~~ member of the household, unless the Board member complies with the conflict of interest requirements of Oregon Revised Statute (ORS) Chapter 244.;
2. This policy does not apply to decisions regarding unpaid volunteer positions unless it is a Board member position or another Board-related unpaid volunteer position (i.e., a Board committee position).;
3. A Board member may not participate as a public official in any interview, discussion, or debate regarding the appointment, employment, promotion, discharge, firing, or demotion of a relative or ~~a~~ member of the household. A Board member may still serve as a reference or provide a recommendation.

For the purposes of this policy, ~~a "member of the household" means any person who resides with the Board member and "relative" means:~~

"Member of the household" means any person who resides with the Board member.

1. ~~"Relative" means: the~~ ~~The Board member's~~ spouse¹, parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law;
- 2.4. ~~The spouse~~ of the Board member; or the ~~member's~~ parent, step-parent, child, sibling, step-sibling, son-in-law or daughter-in-law of the spouse of the Board member. Relative also includes any individual for whom the Board member has a legal support obligation, whose employment provides benefits² to the Board member, or who receives any benefit from the Board member's public employment.

Class Exception

It will not be a conflict of interest if the Board member's action would affect to the same degree a class including the Board member's relative or household member. For example, if a Board member's spouse is

¹ The term spouse includes domestic partner.

² Examples of benefits may include, but not be limited to, elements of an official compensation package including benefits such as insurance, tuition or retirement allotments.

a member of the collective bargaining unit, the Board member may vote to approve the contract, as it will affect all members of that class to the same degree. However, if the collective bargaining unit is very small, the class exception may not apply. Similarly, if the contract contains special provisions that might apply only to particular persons, then the class exception may not apply. For example, if a Board member's spouse is the only one in the bargaining unit that has a doctorate and there is a pay differential for employees with doctorates in the collective bargaining agreement, the Board member should not vote on the contract.

The Board may be represented on lay and professional committees that serve the Board in an advisory capacity, with specific Board members appointed by the chair, but normally such Board members will function as ex-officio members of the committees.

The Board's responsibility cannot be delegated or surrendered to others; therefore, all recommendations of an advisory committee must be submitted to the Board for action and must be recognized as advisory in nature.

{This following section is recommended for immediate adoption for districts with more than 10,000 ADM. For districts with an ADM of 10,000 or less, this is recommended for adoption prior to September 15, 2025.}

It is the intent of the Board to ensure communications with individuals with disabilities are as effective as communications with others. Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings. Primary consideration will be given to requests of qualified individuals with disabilities in selecting appropriate auxiliary¹ aids and services.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual.

All auxiliary aids and/or service requests must be made with appropriate advance notice. Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial and administrative burdens, alternative, equally effective means of communication will be used.

Audience

During an open session of a Board meeting, members of the public are specifically invited to present concerns during the designated portion of the agenda. At the discretion of the chair, further public participation may be allowed.

Request for an Item on the Agenda

A member of the public may request the superintendent place an item of concern on the agenda of a regular Board meeting. This request should be made in writing and presented to the superintendent for consideration at least five working days prior to the scheduled meeting.

Procedures for Public Participation in Meetings

The Board will establish procedures for public participation in open meetings. The purpose of these procedures will be to inform the public how to effectively participate in Board meetings for the best interests of the individual, the district and the patrons. The information will be easily accessible and available to all patrons attending a public Board meeting.

¹ Auxiliary aids include, but are not limited to such services and devices as qualified interpreters, assistive listening systems, note takers, readers, taped texts, Brailled materials and large print.

Discussion or presentation concerning a published agenda item is limited to its designated place on the agenda, unless otherwise authorized by the chair.

Any person who is invited by the chair to speak to the Board during a meeting should state his/her name and address and, if speaking for an organization, the name and identity of the organization. A spokesperson should be designated to represent a group with a common purpose.

Statements by members of the public should be brief and concise. The chair may use discretion to establish a time limit on discussion or oral presentation by visitors.

Questions asked by the public, when possible, will be answered immediately by the chair or referred to staff members for reply. Questions requiring investigation may, at the discretion of the chair, be referred to the superintendent for response at a later time.

At the discretion of the Board chair, anyone wishing to speak before the Board, either as an individual or as a member of a group, on any agenda item or other topic, may do so by providing the Board secretary with a completed registration card prior to the Board meeting in order to allow the chair to provide adequate time for each agenda item.

Petitions

Petitions may be accepted at any Board meeting. No action will be taken in response to a petition before the next regular meeting. Petitions will be referred to the superintendent for consideration and recommendation.

Criticisms of Staff Members

Public Comment at Board Meetings (Version 2)

{HB 2560 (2021) goes into effect on January 1, 2022, and requires that districts provide the same opportunity for public comment to those attending virtually as is provided to those attending in person. We recommend that districts review current public comment practices and adopt policy language that meets the law and the desired district practice.}

All Board meetings, with the exception of executive sessions, will be open to the public. The Board invites the district's community members to attend Board meetings to become acquainted with the program and operation of the district. The public has a right to attend public meetings held in open session, and may be invited to share comments, ideas and opinions with the Board during designated times on the agenda. The Board may conduct a meeting without public comment.

Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings and submit written comments to the Board. Individuals requesting assistance, aids or accommodations are encouraged to notify the district at least 48 hours prior to the Board meeting with the request, consistent with Board policy BD/BDA – Board Meetings.

Procedures for Oral Public Comment

The Board establishes the following procedures for public comment at Board meetings held in open session. The information will be accessible and available to all patrons accessing or attending such a Board meeting.

1. Public comment is limited to its designated place on the agenda and while time allows.
2. A person wishing to provide public comment, if an opportunity is provided by the Board during a meeting open to the public, will sign in on the public comment sheet provided, submit their name electronically prior to the Board meeting.¹ A request to give public comment in-person or electronically does not guarantee time will be available.
3. A person speaking during the public comment portion of the meeting may comment only on agenda items.
4. A person speaking during the public comment portion of the meeting should state their name and, if speaking for an organization, the name of the organization. A spokesperson should be designated to represent a group with a common purpose.
5. A person giving public comment is limited to an established time limit of three minutes. Statements should be brief and concise. The Board chair has discretion to waive time limits or extend the overall time allotted for public comment. Additional time will be allocated in a fair and equitable manner.

¹ When in-person attendees are allowed to provide oral comment, virtual attendees will be afforded the same opportunity.

Time limits will be determined based on the number of commenters and the amount of time available for public comment. If a person has more comments than time allows or is unable to comment due to time constraints, the person is encouraged to submit additional written comments to the Board through the district office as directed.

6. Inquiries from the public during the designated portion of the agenda will not generally be responded to immediately by the Board chair, and may be referred to the superintendent for reply at a later date. The Board will not respond to inquiries that are expected to be addressed during another designated portion of the agenda.

The Board will not hear public comment at Board work sessions.

Topics raised during the public comment portion may be considered for inclusion as agenda items at future Board meetings.

Procedures for Written Comment

Members of the public may submit written comments or materials to the Board at any time at the district office, by mail or by email. Materials or comments submitted at least 72 hours in advance of a Board meeting will be provided to the Board before the Board meeting, but will not be read at the Board meeting. Written materials or comments submitted may not warrant action by the Board.

Comments Regarding Staff Members

A person speaking during the designated portion of the agenda for public comment may offer objective criticism of district operations and programs. The Board will not hear comments regarding any individual district staff member. The Board chair will direct the visitor to the procedures in Board policy KL - Public Complaints for consideration of a legitimate complaint involving a staff member. Any association contract governing the employee's rights will be followed. A commendation involving a staff member should be sent to the superintendent, who will forward it to the employee, a supervisor and the Board.

Adoption and Revision of Policies

Adopting new policies and changing or repealing existing policies is the Board's responsibility. Policy will be adopted and amended or repealed only by the affirmative vote of a majority of the Board members. Such action will be scheduled on the agenda of a regular or special meeting.

Proposed policies or policy changes and repeal of existing policies will be presented in writing for consideration by the Board.

To permit time for studying all new policies or amendments to policies and to provide an opportunity for interested parties to react, proposed policies or amendments will be presented as a Board agenda item in the following sequence:

1. First reading of a proposed policy or policies:

This is an information item and no action is required by the Board. A first reading announces that a new policy, a revision of an existing policy or consideration to rescind a policy, is being considered by the Board. Comments, questions, concerns and recommended edits should be forwarded to the superintendent for consideration prior to the meeting in which the policy is recommended for a second reading and/or adoption. If a Board member wishes to discuss a proposed policy or administrative regulation listed as an information item, the policy must be moved to the agenda for discussion with a majority vote of the Board. Any organization which represents employees of the district shall be furnished a copy of personnel policies and revisions as they are made.

2. Second reading/~~a~~Adoption of a proposed policy (or policies):

This is an action by the Board and may be placed on the consent agenda. Any revisions to a policy from the first reading will not require the policy go through an additional reading, except as the Board determines that the revision(s) need(s) further study and an additional reading would be advantageous.

When, in the best interests of the district, immediate adoption of a proposed policy is necessary, the Board may adopt such policy at the first meeting in which it is presented.

Policies and amendments adopted by the Board will be attached to, and made a part of, the minutes of the meeting at which they are adopted and also will be included in the district's board policy manual.

 - c. Role of a Project Manager
 - d. Bond Update: Sean Gallagher
 - a. GMP
 - b. Budget
 - e. Safety Assessment for our District

1. Fireside chats scheduled, calendar posted, will be held in the gym or on the stage, depending on events scheduled.

2. State Assessments: Anna DuBord: presentation to board, purpose of the tests, goes over what is needed or areas that need to be focused on (math, language arts, ect). Participation rates: 95% MUST HAVE, district needs to be greater than 80% participation to validate the scores. Opt Out ORS 329.479 states can opt out for English language arts and math, not including science 3,4,5,6,7,8 &11. Science can only be opted out for religious or medical reasons. Risteen would like to have something given to the parents to see what exactly their student will be tested on. Data Presented: bar graph, Alsea students did not have a large number of children participate. We need the community to help change the culture that these are needed for us to get access to funding.

Anna will be conducting and training individuals for this next batch of tests. She goes through all the training. Risteen would like to see some comparisons with other local districts. Sean said she could bring that information back.

3. Role of a Project Manager: Sean Gallagher memo: just an overview, they provide a service that is very important, they make sure the customers' interests are adhered to, keep the project on budget and timelines, organize the different moving pieces. Often, they will look at the engineer's plan and help cut costs where they don't always need certain things added. Safety regulations adhered to. Construction market place knowledge.

4. Bond Update:

1. GMP: K-12 HVAC update: we wanted to bring 3 GMP's to the board, however time crunch didn't allow. They are trying to get a comprehensive budget made for the board. Want to get the GMP hard numbers done.

2. Budget: was included with Bond.

5. Safety Assessment: establish a rural grant for our small district to get help with our safety plans. The inspector walked around to evaluate our building to make recommendations for both the short and long term. New safety requirements will be addressed. Willamette ESD will get us recommendations (safety assessment), current intercom system and then also add one push door lock. More drills this year for the students, get them prepared, not meant to scare.

6. Financials

a. Accounts

1. LaRae Sullivan: A new AP report that breaks down the BMO better, highlights that we are at 84% or less on our budget. Enrollment on 10/1: 244 B&M, 278 LaHO. General Fund Revenue: 13.4M (includes the supplemental from last year). Expenditures went over the "over/under budget" to show where we can save money, SPED Purchases lower, Charter payments lower. Still need to talk to the state school fund representative. Appropriations: done by fund and function piece. Risteen: your recommendation is to be at 84% of the budget, are we hitting that? LaRea: We can do it, but will need to look at it line by line when we have more hard numbers. Get a realistic look. Sean Gallagher said we have been looking at it closely and we are concerned about LaHO enrollment numbers and will meet as administrators to see how we can increase that. What's the breaking point for LaHO? We will need to tighten our belts this year to see when our finances will take a hit. The ships are not sinking, but we need to be strategic.

7. Payment of Bills for October

Motion to approve the bills for October; Seconded, All in Favor. This motion, made by Deb Lindberg and seconded by Ryan VanLeuven, Carried.

Risteen Follett: Yea, Deb Lindberg: Yea, Linda Montanez: Yea, Ryan VanLeuven: Yea, Robert Webb: Yea
Yea: 5, Nay: 0

7. Payment of bills:

1. Deb Lindberg would like to discuss this. Going through last night, everything looks wonderful. Check written on page 7/17, the total is the combined for all the purchases BMO (credit card). Predominantly LaHO postage and advertising. Risteen Follett and Ryan Van Leuven, now we see more transparency in credit cards. LaRea: we get credit back the more we use it. Curtis Restaurant, CNP grant for the dishwasher. The grant terms changed so it wasn't 100% covered. Ryan Van Leaven asked what's the modular long-term office plan? We need to think of something for offices. Sean Gallagher we will see where we can add offices if there is any money left over. Maybe use the Firehouse? Risteen Follett, should we have the Preschool pay for the building they get to use now for free? Sean Gallagher, we can look into this in the future. Buses: what's the plan there? LaRea lump sum then pay over time. LaHO so far spent \$95,000 on advertising and they still need to do more. Looking into a more cost effective option for the LaHO advertising (social media). Deb motioned for approval, Ryan second. All in Favor

8. Patron Comments:

1. Binky Hendrix asked Sean Gallagher and Anna Dubord about RTI/MTSS: Testing yearly MAP's for benchmark/growth testing. English, Math, and Science (6-8)(MAP's K-8). ACT/PSAT/SAT for HS kids. Reading fluency K-2 (Dyslexia screening built in) Dibels K-2 monitoring for reading fluency, catching trouble spots in real time. MTSS (Multi Tier Support Systems). Heather Schunk is going to be providing more training during the teacher's work day. If parents have concerns or would like to know what test results are for their child, reach out to the teacher and they are more than happy to sit down and discuss. The goal is to make the students stronger in areas they are struggling with.

Deb Lindberg wants to remind patrons that if there is a complaint made to her that it will potentially take her voice out of voting. Risteen Follett asked to get it uploaded to our Board portion on the website. All in favor.

6. Surplus Equipment: Move to October 27th Board Meeting, there was nothing loaded into Boardbooks.
7. Division 22 standards (2021/2022): Sean Gallagher: every Superintendent has to go over this report and evaluate the different areas. This report is about half full, there are 22 non compliance areas in this report and we are already fixing and making plans to fix the areas that we are out of compliance in. It goes over almost every area in the school. In 2013, the ODE changed evaluations for teachers. Student assessments were included in that to make sure they are growing their students. In this example we are now utilizing all the different aspects to grow our employees through meaningful feedback. In the areas we are non compliant with, we have already created game plans to get our district in compliance. It will also align the Board goals to our school policies as well. Get kids focused on goals and start early to get them where they need to be...more prepared. Graduation requirements, we were out of compliance and we have taken out the areas that were not aligned with any longer. There are many staff that are adding to get our School into compliance. Board policies were another area. That's why we are doing the OSBA Policy revamp for this year. Next year's report will look much better since we are fixing all the areas we were lacking. Our athletics are in complete compliance. Student Success we are working on getting into compliance with, we will create a District improvement plan. LBLES D assigned to us that will help in this area. We are doing the heavy lifting to get ourselves back into compliance.

Deb Lindberg motioned to approve, Rob Webb seconded, Risteen Follett: Question: rather than revisit in October, is there a way to see where we are at the end of the year to make sure we are staying on track. Sean will create an exit document to keep the next Superintendent up to date. It has been posted on the Superintendent page on our website. All in favor.

Would need to know that there are cuts that are going to absorb that cost. Ryan VanLeuven: We have to have a range, so why is \$135,000 a problem? Deb Linberg wants them to know that if they want the larger salary they may have to do more. Rob Webb it is what it is, we can't go any lower. Risteen Follett we decide what the lowest is that they will offer, but it still has to be brought back to the board for the actual contract approval. The number isn't final till they all approve it. Can always be renegotiated. All in favor.

Proposed: August 25, 2020

Preamble

The Oregon School Boards Association (OSBA) remains fiercely committed to advocating on behalf of equity for Oregon’s students. Equity is the driving force behind the Student Success Act (HB 3427), and OSBA will remain dedicated to advancing legislation that makes significant impacts for equity across the education spectrum, including investments targeting increased academic achievement for students and legislation to reduce academic disparities for historically underserved students.

OSBA is committed to social justice and assuring Oregon’s education system is free of institutional bias through such means as culturally relevant teaching and professional development that promotes cultural competence, and discipline that is free of bias.

OSBA believes funding a strong public education system is the best investment Oregonians can make to strengthen our economy, create thriving communities, and improve the quality of life for every Oregonian.

To accomplish these goals, OSBA will introduce and support legislation to:

Priorities

Promote Adequate, Predictable, and Stable Funding

The State School Fund rises and falls every two years because Oregon's revenue-raising and funding systems have substantial variance. Stable and adequate funding is crucial to providing a quality education to all students across the education continuum. To ensure stable and adequate funding, OSBA will actively promote legislation that accurately calculates current service level funding for school districts.

Protect the 2019 Student Success Act

The Student Success Act provides local school districts and education service districts unprecedented opportunities to target new funding toward educational programs. OSBA will actively promote legislation to protect the funding allocated for the Student Success Act in order to deliver equitable outcomes for all K-12 students.

Close the Opportunity Gap

In every community a disparity in academic achievement exists between student groups. OSBA will support legislation aimed at closing achievement and opportunity gaps that exist across Oregon's public schools.

Contain Cost Drivers

The costs associated with health care and retirement benefits are eating into funding available for instructional opportunities for students. OSBA will promote legislation that provides relief for districts related to benefit costs controlled by the State.

Support Local Governance and Oppose Mandates

Locally elected officials, local education professionals, and the local community are in the best position to respond to the needs of all students. New mandates must have necessary funding and be researched-based with results indicating increased achievement for all students.

Support Capital Improvements

Students need schools that are safe, comfortable, and appropriate for a modern and/or digital learning environment. OSBA will actively promote the allocation of state-level resources to help pay for construction and capital improvement. OSBA will promote legislation aimed at diversifying the funding methods available to school districts.

Ensure Access to Post-Secondary Credits

All students should have access to post-secondary credit opportunities. OSBA will advocate for a seamless transfer of credits throughout Oregon's higher education system.

Address Education Workforce Shortages

OSBA will promote efforts both state and at the local level to preserve and improve initiatives that combat the workforce shortage. OSBA will advocate for programs that will help districts recruit and retain a diverse and well-prepared workforce.

Principles

Finance

OSBA supports the allocation of state resources to ensure school districts and education service districts have the necessary resources to equitably and fully support all students' instructional, behavioral, and programmatic needs. OSBA supports appropriate financial tax policy to make Oregon schools competitive, nationally, and globally, including the preservation of other funding options for local district consideration.

Student Programs

OSBA supports high-quality programs that equitably serve all students in obtaining a comprehensive and well-rounded education. OSBA supports new and continued partnerships with education stakeholders to increase educational and career opportunities for students.

Student Safety and Wellness

OSBA supports safe and secure school environments, the physical health and overall well-being of all students, and services that promote social, emotional, and behavioral health.

Personnel

OSBA supports attracting and retaining effective employees to create a healthy, diverse, culturally responsible, safe, and sustainable workforce. OSBA supports local management, local contract negotiations, and continued conversations regarding professional development, licensure, and career advancement for personnel.

Governance and Operations

OSBA believes locally elected school district, ESD, and community college boards are best equipped to make decisions in the best interest of students and communities. OSBA supports cross-system collaboration, alignment, and accountability among education stakeholders and partners.

Federal Education Issues

OSBA will advocate for the federal government to prioritize, streamline, and fully fund programs that support students.

The Oregon School Boards Association is dedicated to improving student success and education equity through advocacy, leadership, and service to Oregon public school boards.
