COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2021-22. Data from the National Student Clearinghouse.

School Goals

At Alsea Charter School, we strive to provide a safe and productive learning environment where students and staff feel welcome and included. We believe that by providing students and families with learning choices and meaningful opportunities to improve school experiences, utilizing today's technology to enrich student learning, and communicating the importance of regular attendance to families, our students will be prepared to participate and complete in a global society.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% ontime graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

At Alsea Charter School, we believe that the only way to have a productive environment is to create a place where students and staff want to be. We start off the year with school shirts to promote community and school spirit. We provides opportunities for staff and students to come together and discuss ways to make our school a better place. We also work with local agencies to provide students with necessities for school, as well as supports for families. We use SafeOregon to help families and students feel safe in reporting incidents that could hinder learning.

About Our School

ADVANCED COURSEWORK

Alsea Charter School works with Linn Benton Community College to provide our students access to college level courses. We are also partnering with Willamette Promise to integrate dual credit classes in our high school classes so that more students have the opportunity to participate. The district recently constructed a brand new Vocational Tech building, which includes a digital fabrication lab and welding/woodshop machinery. We also offer a Digital Design class that will incorporate graphic design into a school based business

CAREER & TECHNICAL EDUCATION

Alsea Charter School has recently opened a new Vocational Tech Building, which houses a Digital Fabrication Lab, and a state of the art Welding and Wood Shop and classroom. We offer classes in Welding, Ag Construction, Industrial Arts. Forestry, and Plant and Animal Science. Alsea also offers other CTE courses including Culinary, Digital Design, Yearbook/Photography and Drawing and Painting. CTE classes are available to both high school and middle school students.

EXTRACURRICULAR ACTIVITIES

Alsea Charter School offers the following High School sports through OSAA:

>95%

- · Football
- · Vollevball

<10 students or data unavailable

- Bovs and Girls basketball
- · Boys and Girls track and field
- Baseball
- · Softball

We provide our students in grades 5 - 8 with the opportunity to participate in football, volleyball, boys and girls basketball, and boys and girls track through our regional sports league.

We also provide after school programming for enrichment activities such as art. cooking and industrial arts. For students in grades K – 4, we offer club basketball teams during the winter months through a local boys and girls club.

PARENT & COMMUNITY ENGAGEMENT

Our families and the school community can be involved in Alsea Chater School through a variety of activities. We provide opportunities for engagement through Open Houses, Parent/Teacher conferences, athletic events, and as well as opportunities to volunteer in our classrooms and on field trips. Weekly bulletins with school information are sent home, posted on our website and on our social media. Alsea Charter School has a Booster Club that is active in supporting our staff and students.
