Parent Request for Exemption from Select State Assessments

Under Oregon Administrative Rule 581 – 021 – 009, parents may request that their student be exempted from taking the **OSAS Science** and/or **ELPA 21** tests to accommodate a student’s disabilities or religious beliefs. To best support school planning, **please complete and submit this form to your child’s school by March 1st of the current school year.**

The form exempts the student for the current school year only. Exemption requests must be submitted annually for the school year of the exemption. This form must be fully completed for exemption to be considered.
