Canned food drive with a twist! (*a twist of tape, that is*). Our Leadership Class is accepting your donation of canned or boxed food items to give to our local food bank during this holiday season. For each SET OF CANS (2) donated, the leadership team will tear off a piece of tape with which to secure Ms. Nieraeth to the wall. Not sure *what* wall that is, but time will tell! Join the mission of filling pantry's and taping Ms. Nieraeth to the wall!
