Charlotte Sparkles Webb created a web of 298 books read (for K-2nd grade Readers) and 690 minutes (for our 3rd-6th) through the month of October. She is so tickled with our readers, that she invited her friend, TIM TURKEY, to come hang out in the front office for the thankful month of november. Readers will receive feathers for books read/minutes logged in and they will add those feathers to Tim's Turkey Body! Gobble Gobble up some good books! If we beat our 298 AND 690 marks during the month of November, some sort of celebration will commence! Parents: the overall goal is to get our learners reading for *enjoyment for at least 15 minutes a day outside of the school day! LISTENING to a parent or older sibling read will "count" on the daily log as well. *enjoyment may eventually come. Building habits can be a challenge and, early on, it may feel like a lot of effort - but surely enjoyment *will* follow!

We are publishing the weekly bulletin online this year, but if you prefer a paper copy, let me know and I will send one home with your child. Same goes for the monthly lunch menu. There are times when having a paper copy just simply works best. Let me know and I will happily accommodate,
