All through the month of September, we will be thinking about the traits of RESPECT, RESPONSIBILITY & INITIATIVE. At month's end, students who have displayed that particular quality will receive an award. Watch the bulletin for updated information regarding date and time of the assemblies where we will celebrate the character trait of the month.

As we begin the new school year, we kindly remind you of our illness guidelines from the Oregon Department of Education. If your child experiences vomiting, diarrhea, or a fever exceeding 100.4 degrees Fahrenheit, please ensure they are kept at home for a complete 24-hour period following the resolution of symptoms without the assistance of medication. THANK YOU for helping stop the spread of germs & illness.
