GRATITUDE AND GIVING are the character traits we are focusing on for the month of November.

It is the season of GIVING and in that manner, we are hosting a school wide/grade wide class competition from November 10 through November 20. Students can bring non-perishable food items to their classrooms. Those things will be counted and gathered together for delivery to our local food pantry “Jenni’s Place”. Classrooms collecting the most food will be rewarded with a party of some sort. At the time of publishing, celebration details have not been decided. The act of giving & collecting & counting just might be the best reward of all!
