THANK YOU, parents and elementary readers, for participating in the AT HOME READING promotions we have had fun with since October. The front office has been kept seasonally decorated with a **giant** spider web, a clever turkey named Tim, snowflakes followed by hearts!! (so many hearts). All of these decorations represented minutes read & books enjoyed! We consumed cookies in the middle & our readers each have **"I LOVE READING"** bracelets **thanks** to our **AWESOME BOOSTER CLUB**. During the month of **March** we are **celebrating literacy** by hosting a SCHOLASTIC BOOK FAIR and a "LITERACY ON THE FARM" event on **March 18th**. **We hope to see you all here** at the school starting at 5:00 where you can enjoy all sorts of farm themed activities AND enjoy a hot dog dinner. (There is a possibility of real life farm animals making an appearance. GET READY!)

Look for flyers, sent home with elementary students, with information about the SUMMER READING SKILLS program put on by OSU's Pre College Programs. Class sizes will be limited so early response is encouraged for this opportunity for your child/children.
