A few fun facts re: our recent American Red Cross Blood Drive. On April 9, we collected 35 units of blood which could potentially save 105 lives. We had 1 first time donor this time around, with a total of 40 folks donating. Our next local opportunity to donate will be November 12. Spend some time thinking about becoming a donor. It's free, efficient & comes with tasty snacks following *your* gift. Terrific group to be a member of - AND!! GET READY!! MORE!!!BIG!!!NEWS!!!: TWO \$500 Scholarships are being awarded to high school volunteers Kendra Stone & Paisley Jacobson.
