

High School CTE / Shop / FFA Teacher

Small Rural District – Oregon

Location: Alsea School District

Contract: Full-Time Licensed

Start Date:

Position Summary

Alsea School District is seeking a High School Career and Technical Education (CTE) / Shop / FFA Teacher to lead a comprehensive agricultural and technical education program in a small rural school setting. This position provides hands-on instruction aligned with ODE CTE standards, supports an ODE-approved Program of Study, and serves as FFA advisor, promoting leadership, career readiness, and community engagement.

Key Responsibilities

- Plan and deliver engaging, hands-on instruction in CTE and shop-related courses (e.g., woodworking, welding, small engines, agriculture mechanics, construction, or related areas).
 - Teach shop, agriculture, and/or industrial technology courses in a hands-on learning environment.
 - Maintain a safe shop and classroom environment in compliance with OSHA, district policy, and ODE expectations.
 - Support and maintain an ODE-approved CTE Program of Study, including program documentation and continuous improvement.
 - Serve as FFA advisor, supporting student leadership, competitions, meetings, and Supervised Agricultural Experience (SAE) projects.
 - Collaborate with administrators, counselors, staff, and community partners to support student success and career-connected learning.
 - Participate in school events and activities typical of a small rural district.
-

Required Qualifications

- Valid Oregon TSPC CTE Teaching License with appropriate endorsement(s), or ability to obtain.
 - Knowledge of shop practices, agriculture mechanics, and instructional safety.
 - Ability to manage a hands-on, multi-grade instructional environment.
 - Strong communication, organization, and classroom management skills.
-

Preferred Qualifications

- Experience teaching in a small or rural school district.
 - Experience advising or participating in FFA programs.
 - Industry experience in agriculture, trades, or related fields.
 - First Aid/CPR and safety training (or willingness to obtain).
-

Additional Information

- This position may require flexible or extended hours for FFA activities, SAE supervision, and community events.
- FFA stipend available per district contract.
