

# Alsea High School – Head Boys Basketball Coach

Alsea School District is seeking a dedicated and enthusiastic Head Boys Basketball Coach for Alsea High School. The successful candidate will lead all aspects of the boys basketball program with a strong emphasis on student-athlete development, sportsmanship, teamwork, academic achievement, and program integrity.

Salary Range:

\$4046 through \$4720 depending on experience

Pay Schedule:

Paid December through January (season stipend basis)

Position Summary:

The Head Boys Basketball Coach is responsible for the overall leadership, organization, and management of the boys basketball program. This includes planning practices, developing game strategies, supervising assistant coaches, and building a positive, competitive, and student-centered program aligned with OSAA and district expectations.

Essential Duties and Responsibilities:

- Plan, organize, and lead all boys varsity basketball practices and games
- Develop student-athletes' skills, teamwork, discipline, and sportsmanship
- Supervise and support assistant coaches and program volunteers
- Ensure compliance with OSAA rules, district policies, and safety standards
- Monitor and support student-athlete academic eligibility and success
- Communicate effectively with players, parents, staff, and administration
- Manage team logistics including travel, scheduling, and equipment
- Foster a positive and inclusive team culture
- Coordinate with youth and middle school programs to support program development and continuity

Qualifications:

- Previous coaching experience preferred at the high school level or equivalent
- Strong leadership, communication, and organizational skills
- Knowledge of basketball fundamentals, strategy, and player development
- Ability to build positive relationships with students and families
- OSAA certifications and background clearance (or ability to obtain)

Preferred Attributes:

- Commitment to academic and athletic excellence
- Ability to build a strong, respectful program culture
- Experience working with student-athletes in an educational setting
